REMARKS

Claims 1-21 remain in the referenced application. Claims 1-21 have been allowed. Claim 4 has been amended.

Claim 4 stands objected to on the basis the term "light" appears to be recited twice thereby rendering the claim confusing for double inclusion. Responsive thereto, the article "the" has been inserted into claim 4, line 3, prior to the term "light" for the purpose of indicating "the light" is the same "light" recited in claim 1. Applicant accordingly respectfully submits claim 4 is not confusing because the term "light" now refers back to claim 1 and thus is not doubly included. Applicant therefore respectfully requests the objection to claim 4 be withdrawn.

In view of the foregoing, Applicant respectfully requests the referenced application be passed to issue.

Respectfully submitted,
